

Arise, cry out in the night, as the watches of the night begin; pour out your heart like water in the presence of the Lord. Lift up your hands to him for the lives of your children, who faint from hunger at the head of every street. Lamentations 2:19

March 2022

Dear praying mothers

Hearing the first moment about the conflict between Ukraine and Russia, I cried out overwhelmed asking God for help! Immediately I was brought to Psalm 62:11 **"Twice I have heard this: That power belongs to God."** Through a picture with a sword, stuck in the Ukraine ground, it looks like a cross. Jesus is God's victory and overcomes all evil forces.

Rise up bold in the strength of the Lord and build...this is exactly our global and Europe goals. **Are you ready for battle?**

In the last 8 months, as I was writing a prayer diary for my grandchild, I read through all 150 Psalms. I finished just as the conflict started. Without knowing what will come the Lord prepared me with these ancient prayers in brokenness, battle and desperation...to rise up and be ready for battle in Europe. Precious prayer warriors, I urge you in this time of need to rise up and pray for our sisters in Ukraine, the children, the teachers and the countries (Moldova, Romania, Poland, Slovakia, Russia, Belarus, Hungary) and Europe & Israel!

Jesus Himself is the door to God's Kingdom, which we declared in our prayer's days in January 2022. The Psalms are the prayers alongside to fight. Daniela will prepare a weekly prayer sheet. Feel free to share it!

You are most welcome: every Monday, 17.30 – 18.00 (5.30 pm – 6pm) CET time Zoom Meeting:
